FROM THE EXECUTIVE DIRECTOR'S CHAIR

The 2018 golf season has taken longer than we all would have liked to get underway but hopefully now that Mother Nature has cooperated, we will have a long and healthy season!

Change is taking place in the Golf Manitoba office with my recent resignation as the Executive Director. In the spring of 2002, I was hired by Dave Morison as the Assistant Executive Director. The Manitoba Golf Association (MGA) and the Manitoba Ladies Golf Association (MLGA) were in the process of amalgamating to form Golf Manitoba. I had previously worked as an Assistant Golf Professional at the

Southwood Golf & Country Club and returned to university to finish a degree in Recreation Studies. I had felt very privileged to work in the golf industry and was not sure if I would have the opportunity to return. When I got hired in 2002, I will always remember the feeling of realizing I would be back in this amazing industry. I was then very fortunate to be hired as the Executive Director in 2005 after Dave retired.

Sixteen years later, I am moving onto a new chapter with City of Winnipeg Golf Services.

DAVE COMASKEY
Golf Manitoba Executive Director

Thank you Golf Manitoba for an amazing run! I look forward to watching from a distance how this organization flourishes and develops the game of golf going forward!

Good golfing!

FROM THE EDITOR'S CHAIR

It's time to put those shovels and ice scrapers away, golf season is finally here.

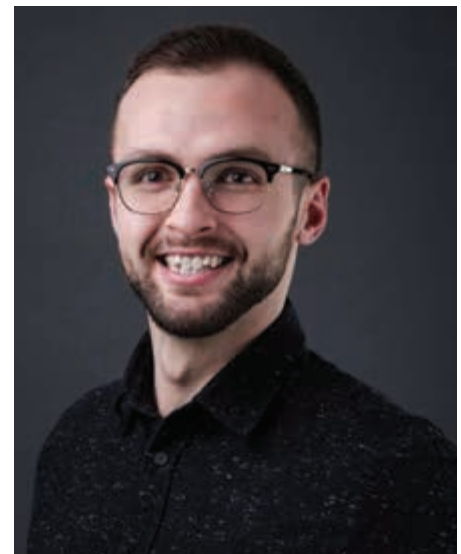

Greetings golfers, and welcome to another edition of Manitoba Golfer magazine.

We're coming off of a sensational summer that featured Winnipeg hosting some of the best young golfers in the country at the Canada Games. 2018 is set to be another memorable season, as there are exciting changes being made to the Players Cup, big upgrades to Falcon Lake Golf Course, the resurgence of the women's golf program at the University of Manitoba, new rules being introduced, and much more that you will learn all about by

flipping through the pages of this magazine.

And don't forget to check out our parade of champions, as you'll find out who all the big winners were from this past season. I'm sure you will recognize quite a few faces, as there are several repeat champions.

This is my first year as editor and I must say, it has been an absolute pleasure getting to know people involved in the local golf community. I've had the opportunity to chat with top local golfers, dedicated volunteers, proud sponsors and others who give back to the sport in so many different ways. I hope you enjoy reading this magazine as much as I enjoyed putting it together.

TAYLOR ALLEN
Golf Manitoba Editor

Thanks for reading, and I hope this golf season is your most enjoyable one yet.

2017 SCHOLARSHIPS...

The Manitoba Golf Scholarship Fund Inc. in 2017 awarded four scholarships to young golfers who have participated in the Manitoba golf community, demonstrated academic excellence and are pursuing their post-secondary studies at Canadian educational institutions.

Dr. Dwight Parkinson Award

Spencer Norrie, Minnewatsa Golf & Country Club

In 2013, the Dr. Dwight Parkinson Award was created which is a \$3500 scholarship that has been made possible by Mr. Dave Hill of the St Charles Country Club. This award recognizes Dr. Dwight Parkinson's long-time commitment to the game of golf. It is awarded to the student entering their first year of studies at a post-secondary institution with the highest academic standing. This year's recipient is Spencer Norrie of the Minnewatsa Golf & Country Club. Spencer is entering the University of Manitoba and is pursuing a Bachelor of Arts degree majoring in Criminology. In 2016, he had a top 10 finish at the Nott Autocorp Men's Amateur and finished 12th at the Manitoba Men's Junior Championship.

The following four individuals will receive \$1500 scholarships from the Manitoba Golf Scholarship Fund:

Avery Livingston is a member of the Golf Manitoba Public Player Club and is pursuing a Bachelor of Commerce degree with a double major in Accounting & Finance at the University of Manitoba. In 2016, he was a member of the University of Manitoba Bison Men's Golf Team where his best finish was 5th place at the St Cloud State Huskies Invitational.

Bobby McNair of the Carman Golf & Curling Club is enrolled at the University Manitoba in the Faculty of Science with a major in Biological Sciences and a minor in Microbiology. In 2016, Bobby was a member of the University of Manitoba Bison Men's Golf Team where his best finish was a tie for runner up at the Jamestown Invitational. He also finished 2nd in the 2016 Rural Championship and was a semifinalist in the Men's Match Play Championship.

Brynn Todd of the St Charles Country Club is pursuing a degree from the Asper School of Business at the University Manitoba with a major in Accounting. In 2016, Brynn was a member of the Davenport University Golf Team in the state of Michigan where she had a number of top 10 finishes. She also finished 18th in the 2016 Manitoba Women's Amateur Championship and 9th in the provincial Junior Women's event.

Steven Young of the St Charles Country Club is working towards a Bachelor of Science degree from the University of Manitoba. In 2016, he was a member of the University of Manitoba Bison Men's Golf Team. He won the Tamarack event, finished 3rd at The Grey Owl and tied for 37th at the Nott Autocorp Men's Amateur.

About the Manitoba Golf Scholarship Fund (MGSF):

- The MGSF is a registered charity with the goal of providing financial assistance to young golfers pursuing post-secondary education at institutions in Canada
- The annual scholarships are granted based on the interest earned from the fund
- The capital fund grows annually from donations made by individuals, donations made in honor of someone and golf clubs within Manitoba and Northwest Ontario making contributions
- Tax receipts are given for donations to the Fund
- Golf Manitoba supports the Fund administratively which allows for very little administrative overhead
- The Fund began in 1986 and has awarded 177 scholarships for a total of \$191 000

NOTT AUTOCORP RENEWS SPONSORSHIP WITH GOLF MANITOBA

Nott Autocorp and Golf Manitoba have been proud partners for the past decade and both parties are excited to announce that the partnership has been renewed for another 10 years.

President Trevor Nott said it's important to give back to the golf community because the sport had such a positive influence on his life when he was growing up.

"It had such an impact on my life that I wanted to make sure our business, as a group, that we would entrench our self in the sporting community and give back to it," said Nott. "I realize how important it was to me and my development and I think it's important we all support sport in some way and give kids and young adults the opportunities you get from sport."

Nott Autocorp's sponsorship will include the naming rights to the Men's Amateur Championship.

"We're very excited about that. It gives our brand some good recognition within the golf community which has been very loyal and supportive of our business for many years," Nott said.

Nott Autocorp moved to a new location three years ago — 1322 Waverley St — and hasn't looked back since. The new location is nearly five times larger than their previous home and houses roughly 200 vehicles.

"We moved to a much larger location so we can better serve our customers. We offer full servicing, sales, leasing, financing and consignment services — those are the primary parts of our business."

To learn more about Nott Autocorp, visit their website www.nottautocorp.com.

IRV BENNE NAMED 2017 GOLF MANITOBA DISTINGUISHED SERVICE AWARD RECIPIENT

He may be 82 years old and have nearly 30 years of volunteer experience with Golf Manitoba, but Irv Benne doesn't plan on slowing down anytime soon.

"I'm a retired firefighter so I got to keep active," said Benne, who volunteers as a certified Level 4 rules official for Golf Manitoba. "I love what I do. I love teaching and passing on the knowledge I have as far as rules are concerned. I plan to do this as long as I can stand up."

Benne's contributions to the local golf scene haven't gone unnoticed, as he was chosen as the 2017 recipient of the Golf Manitoba Distinguished Service Award. The award is given to a long-time volunteer who goes above and beyond the expectations of their role and has proven to be an advocate for the game.

"When I first got the call, I was really surprised and really honoured," said Benne on when he found out he won the award. "It's a great achievement award as far as I'm concerned because to me, they've recognized all the work I've done. To receive this award, on top of everything else, is something that I will never forget and neither will my family."

Benne, who won the Manitoba Men's Senior Championship in 1993 and 1997, said he loved playing competitive golf and that it's important for him to give back to the sport.

"I was fortunate enough to benefit from their resources so I decided to volunteer with Golf Manitoba. They are such a great organization and provide a lot of assistance to the amateur golf scene as a whole," said Benne, who still golfs today.

There are many things Benne enjoys about volunteering with Golf Manitoba, but one of his favorite aspects of it are the relationships he's made over the years.

"I've gotten to know a lot of the golfers themselves and made some real good friendships with them," Benne said. "It's great comradery and I'd really miss it if I didn't do this anymore."

GOODBRANDSON LEADING YOUNG MANITOBAN GOLFERS TO SUCCESS

The future of golf in Manitoba is looking bright, as both the male and female teams finished the 2017 Canada Games in fourth place. It was the best performance by the Manitoba golf teams at a Canada Games since the event added golf in 2009.

"We're very pleased with the results of Manitoba's junior golfers in 2017," said Garth Goodbrandson, the Director of Player Development for Golf Manitoba. "Coming from Manitoba, we like to look at what advantages that we have over the other provinces. It's so common for people to look at the negatives of golfing here such as the short season and the weather. "From a positive standpoint, there are no provinces who get to know and support each other like our province does. The players and families get to know each other really well and many become lifelong friends," said Goodbrandson.

Golf Manitoba has been able to build a strong foundation for young golfers through their year-round programming. Young golfers are introduced to the Men's Mundie Putter and Women's Nassau Leagues, which gives them opportunity to play at a competitive level before playing at a Canada Games or Western Canada Games.

"It's excellent competition against adults. They also get to play against top amateurs at golf courses that they usually don't get to play at. It's a really fun league, but also very competitive. It's fantastic experience for the kids," Goodbrandson said.

"The last Canada Games programming included weekly winter training sessions at The Golf Dome, fitness training, and the opportunity to listen to guest speakers such as sport psychologist, Dr. Adrienne Leslie-Toogood. Memberships at The Golf Dome allowed players to continue training throughout the winter months."

Depending on the year, junior golfers are training for the Canada Games, Western Canada Games or the Manitoba Games. The Canada Games is for ages 18 and under, Western Games 16 and under, and the Manitoba Games is for 15 and under.

In 2016 the Manitoba Games programming had over 80 junior golfers involved while the Canada Games and the Western Canada Games programs involves approximately 25 junior golfers. Six players (3 girls and 3 boys) represented Team Manitoba at the 2017 Canada Games.

There are no Games this year, but Swift Current, Saskatchewan is set to host the Western Canada Summer Games in August 2019.

"We began a Western Canada Games program this past winter and based on results, we will increase the number of athletes involved for the 2018/2019 program. As the Coach for Team Manitoba, I like to develop a program that can assist the athletes with their preparation for the 2019 Western Canada Games," Goodbrandson said.

a Great Season!"*

LAKELAND GOLF MANAGEMENT TAKES OVER FALCON LAKE GOLF COURSE

Lakeland Golf Management is making big improvements to one of Manitoba's premier golf courses.

Lakeland Golf Management is an established golf course management company that provides design, consulting, operational and management services for courses throughout Manitoba and Saskatchewan. Falcon Lake Golf Course is the latest course acquired by the company.

Harry Brotchie, the president and principal partner of Lakeland, won a request for proposal to operate and maintain the Falcon Lake Golf Course in 2015. Brotchie, the former President of the Canadian Professional Golfers Association, said the company jumped at the chance to get involved with Falcon Lake and believes they were selected due to their successful track record and plans for a new clubhouse.

"The opportunity to put in a proposal was exciting," said Brotchie. "We felt one of the key components to our submission was investing capital into a new clubhouse. The golf course is in great shape and well respected, but the

buildings were tired and needed to be replaced."

The old clubhouse, which was demolished this past winter, was built in 1958 when the course opened. With this year being the 60th anniversary of Falcon Lake Golf Course, it seemed like the perfect timing to take the course to a whole new level.

The new clubhouse will feature a 100-seat restaurant, patio with an excellent view, pro shop, and office space. The parking lot will also be completely redone. The clubhouse and parking lot are expected to be done by June or July of this year. The construction will have zero impact on the golf course itself, as players can begin to tee off in early

May as usual. A temporary pro shop and food vendor will be in place until the clubhouse is officially open.

"It will be good for the local community as there are not many restaurants in the area. Falcon Lake is a vibrant community in the summer with all the cottages nearby. I think people who have always enjoyed the golf course will now have a clubhouse facility that is equal to the course itself," Brotchie said.

Lakeland Golf and Brotchie are no strangers to enhancing the experience at golf courses for golfers, as with the addition of Falcon Lake, the company now operates 10 courses. The other Manitoba courses include Tuxedo Golf Course, Hecla Golf Course, Links at the Lake and Harbour View Golf Course. The company began with Harbour View in 1982 and has acquired additional courses since then.

"We think Falcon Lake is a nice compliment to the courses we already run," Brotchie said. "Our philosophy is to better the facilities we manage. We certainly believe in investing in the facilities we operate."

TODD FANNING NAMED MANITOBA MALE GOLFER OF THE YEAR

Todd Fanning is no stranger to being named the Golf Manitoba Male Golfer of the Year, but it has been nearly three decades since he's won the award.

Fanning, who won the Manitoba Mid-Amateur and Canadian Mid-Amateur championships last summer at the age of 49, was named the 2017 Golf Manitoba Male Golfer of the Year. It was Fanning's fifth time winning the award and his first since 1991.

"To win 25 or so years later is pretty special," said Fanning on being named the top male golfer in the province for 2017. "At the beginning of the year, I only anticipated playing in a couple events and they both ended up in playoff wins. For playing as little as I did, it was a nice surprise for sure."

Fanning won the Canadian Mid-Amateur championship in style,

as he had to outduel three-time champion Garrett Rank (Elmira, Ont.) and Steven Diack (Coquitlam, B.C.), who had a five-stroke lead over Fanning heading into the final round, in a playoff. After a four-hole playoff, it was Fanning who left The Wascana Country Club in Regina as tournament champion.

"It was quite exciting for us to go to the playoff as we all had our chances in regulation to win it," said Fanning, who made birdies on the final two holes to make it to the playoff. "The fact I already had been in a playoff that summer for the Manitoba title probably helped me stay calm."

Despite not competing as much as he used to when he played professionally, Fanning liked his chances going into the Canadian Mid-Amateur. He played at The Wascana Country Club roughly

10 times throughout his career and felt that gave him an edge.

"I felt my game was in good shape. Secretly, anyone that asked me what my goals were heading into that week, I did honestly tell them that I was only going there to win so I think that helped the outcome as well. At age 49 to win a tournament with guys half my age, I was pretty proud of myself," said Fanning, who shot a 2-under-par 69.

The Canadian Mid-Amateur victory means Fanning, now 50, will get to compete at the 2018 RBC Canadian Open at Glen Abbey Golf Club in Oakville, Ont. It will be the fifth time Fanning has competed at the event and his first time since 2002. His son, who was born in 2000, will be his caddy.

"To have my son carry my clubs and have my family there to watch me compete against the best golfers in the world, that will be quite the week," said Fanning.

After this summer, Fanning plans to call it a career. He said he feels he doesn't have anything left to achieve as an amateur player and will put a hold on playing competitively until he turns 55 and can play for the provincial senior title. But before he takes a break from the game, he's determined to have a strong performance at Glen Abbey.

"Considering my play last year, I feel if I play well, a top 20 wouldn't be out of the question," said Fanning. "I know the golf course and obviously I'll be nervous but I really have nothing to lose as a sponsored exemption."

The 2018 RBC Canadian Open tees off at Glen Abbey Golf Club on July 23, 2018.

CAMRYN ROADLEY NAMED MANITOBA FEMALE GOLFER OF THE YEAR

Camryn Roadley made history in 2017. Roadley, who was named the inaugural Golf Manitoba Female Golfer of the Year in 2015, won the award for a second time this past year, making her the first two-time winner.

Roadley, who plays at Southwood Golf & Country Club, had an impressive season, as she won the Manitoba Junior

Women's Championship and was a member of the provincial team who finished fifth at nationals. She finished the Canadian Junior Championship in 37th place, third in the Women's Match Play Qualifier, 15th in Manitoba Women's Amateur Championship and was a member of Team Manitoba for the Canada Summer Games where the team finished fourth and she finished

10th individually. As a member of the North Dakota State University Golf Team, Roadley had a number of top 25 finishes in the fall season.

The 19-year old didn't have much to say on winning the award, but she did have some people she wanted to thank for the accomplishment.

"I would just like to thank Southwood Golf & Country Club and Andrew Steep for all they've done for me," said Roadley. "I'd also like to thank Golf Manitoba for putting on great events."

LAKE SANDHILLS

BUFFALO POINT RESORT

The Manitoba Golf Hall of Fame has been around for 15 years, but the class of 2017 featured something that no prior class ever has — a team.

The 1962 Manitoba Team Winners of the Canadian Ladies Golf Association Amateur Team Trophy became the first team to be inducted into the Manitoba Golf Hall of Fame. It's not the first time the team that featured Marg Homenuik (Rossmere), Heather Telfer (nee Lawrence) (Niakwa), Merlene Netterfield (Niakwa) and Ann Tachan (Elmhurst) have made history, as their victory in 1962 was the first time a Manitoban provincial golf team won a national championship.

"The rationale was that golf is not a team sport," said Manitoba Golf Hall of Fame president Don MacDonald on why no team has been inducted before. "At its core, it's an individual sport and a team generally doesn't meet the longevity test, as it could be two days of really good golf and should that be recognized? But we reflected on it as a board and figured, why not?"

MacDonald explained that with Manitoba being a smaller province, it makes it even more special to win a national competition, therefore, provincial teams that do so deserve to be recognized.

"We were happy to recognize the women's amateur team as they were the first Manitoba team to win a national title,"

MacDonald said. "The fact that three out of four were already hall of fame members shows the quality of the team."

MacDonald said the induction committee, which is composed of professional and amateur golfers, administrators, media, and hall of fame members, look for accomplishments at the provincial, national and international level. That includes golfing, administration, superintendents and members of the media as well.

Also inducted in the class of 2017 was Terry More, Pat Piper (nee Kiggins), and Joe Tachan.

More, the Manitoba Golfer of the Year in 1978, won numerous junior, amateur and senior championships throughout his illustrious career. More was also a four-time Municipal Champion.

Piper won junior championships in Saskatchewan and Manitoba before taking a hiatus from golf to raise her family. When she returned to the sport, she dominated at the senior level, as she was the Manitoba Senior Champion in 1994 and the runner-up at the 1992 Canadian Women's Senior Championship.

"She was a great golfer for an extended period of time and clearly met the criteria for induction," MacDonald said on Piper's induction.

Tachan started playing and

caddying at Elmhurst in 1931. He helped manage the club during the Second World War and helped keep the clubhouse open and playable. He was a Elmhurst pro from 1945 to 1963 and a three-time Manitoba Open champion.

"He was connected to Elmhurst for the majority of his career and life," said MacDonald on Tachan. "He is really credited with helping it through the war years and depression which were really lean years."

MacDonald said the hall of fame is always looking for more nominations. For more information on how people can nominate someone or about the annual induction dinner, people can visit the website www.manitobagolf-halloffame.com.

"We'd love people to nominate deserving individuals and teams for the hall of fame," said MacDonald. "The hall of fame has been around for 15 years and one of our obligations is to look back and make sure nobody has been missed. As a hall of fame induction committee, we take that role very seriously."

The Herd is Headed to Nationals

The University of Manitoba's women's golf team is back and they're looking to prove to the rest of the country that they're among the best in Canada.

Due to a lack of players, the women's golf program at the U of M ended in 2011. Bri-Ann Tokariwski, the current Head Coach of the Bisons' women's golf team, was on the team in 2011 and changed schools to continue her college golf career. Tokariwski ended up moving down to Williamsburg, Kentucky to play at the University of the Cumberlands.

"I grew up here in Manitoba and I highly support all types of female sports here in Manitoba. I would've liked to have seen the team continue on and that's a big reason why I wanted to be heavily involved in the team's return this past season," Tokariwski said.

Luckily, this year was different as the Bisons were able to find enough players to make up a competitive women's team. Despite going years without a team, the Bisons women's golf program hasn't missed a beat as they have quickly established themselves as one of the best programs in the country. Tokariwski's squad is one of ten teams that have qualified for the Canadian University/College Championship that will be held at the Chilliwack Golf Club in Chilliwack, B.C. The event tees off on May 28, 2018.

"Honestly, it means the world to me," said Tokariwski on bringing the women's program back and having early success. "Every one of those girls have put their heart and souls into the game

and it has paid off. Now we have the opportunity to show the rest of Canada what we can do here in Manitoba."

Not only will the women from the University of Manitoba be competing at nationals, but so will the men's team. Men's Head Coach Garth Goodbrandson and his team are no strangers to competing at the national level, but this year, they're hoping for better results.

After winning the Canadian University Championships at Southwood G&CC in 2014, the team has missed the cut the past three years. Goodbrandson, who co-founded the university's golf program in 2000 said "similar to 2014. "We want to stay in the top five the first few rounds. Once we get there and with a good finish who knows what could happen," said Goodbrandson, who co-founded the university's golf program in 2000. "The difference between first and fifth usually isn't that far. We have an experienced and talented team who gained a lot of confidence winning 5 tournaments in the fall of 2017."

Regardless of the outcome at nationals, Goodbrandson is happy with what the program has been able to accomplish over the years. "As coaches, our goal has always been to create an environment where people can play right here in Winnipeg and not feel they have to go to the US to play a good schedule against strong competition." Goodbrandson said. "We started this program to help keep young Manitobans in Manitoba and to give these athletes opportunities, memories and life-long friendships while receiving a quality and an affordable education.

PINE RIDGE
GOLF CLUB EST. 1912

Manitoba's Premier Golf Facility

Pine Ridge has set the stage for a spectacular wedding and is ready to make your day everything you have dreamed of. We are confident that our secluded and professionally arranged ceremony site will provide you with the perfect spot to say "I do".

Dates still available for the spring, summer and fall of 2018. If you would like to view our facilities, please contact Tara at 204-222-6477 or email tdueck@pineridgegolfclub.com to book your appointment.

TRAVIS FREDBORG CLAIMS MEN'S AMATEUR HONOURS

Nobody had a better start and finish than Travis Fredborg.

Fredborg was able to dethrone his good friend and defending two-time Nott Autocorp Men's Amateur Championship winner Devon Schade to win the event for the first time in his career.

Fredborg, who golfs out of Pine Ridge Golf Club but lives down the street from Selkirk Golf & Country Club where the opening two rounds took place, looked right at home in the opening round.

Fredborg, who golfed at the University of Nevada before transferring to the University of Arizona, shot a 5-under-par 66 in the first round to give him the lead. Round two was a different story, as he

shot a 2-over-par 73 in the second round. With the final two rounds at Elmhurst Golf & Country Club, Schade's home course, it looked like the defending champ was in the driver's seat.

But Fredborg stole the show in the final round with a 4-under-par 67, including an eagle on the final hole, to win the tournament. Fredborg finished with 4-under total of 280 (66-73-74-67). Schade, who plays for the Bisons golf team, finished in second place with a 1-under par total of 283. Ryan McMillan finished third at even-par 284.

This year's Nott Autocorp Men's Amateur Championship will be played July 16-19 at Quarry Oaks and Glendale Golf & Country Club.

Provincial Amateur Men

***Travis Fredborg, Eric Johnson
& Devon Schade***

MARISSA NAYLOR CLAIMS WOMEN'S AMATEUR HONOURS

An extra three holes of golf was needed to determine who would win the 2017 Women's Amateur Championship at Bel Acres Golf & Country Club. Marissa Naylor of Pine Ridge Golf Club and Breezy Bend Country Club's Charmaine Mackid both shot 79s in the final round, giving them each 233 totals after three rounds of play.

But it was Naylor who outlasted Mackid in a sudden death 3 hole playoff to claim sole possession of the Women's Amateur Championship. Naylor made four birdies in total during her three rounds of 74, 80 and 79. Her impres-

sive opening round gave her a two-stroke lead over Mackid, but Mackid shot a 78 in the second round to tie Naylor heading into the final day.

Naylor and Mackid weren't the only ones who couldn't be separated, as Niakwa's Jill Hardy-Gingras and defending champion Bri-ann Tokariwski from Elmhurst finished in a tie for third place at 234 total — one shot back from qualifying for the playoff.

The 2018 Women's Amateur Championship will be held at Falcon Lake Golf Course from July 3-5.

Provincial Amateur Women

Marissa Naylor, Bri-ann Tokariwski & Charmaine Mackid

CAMRYN ROADLEY CLAIMS WOMEN'S JUNIOR HONOURS

It was the same two golfers at the top of the leaderboard, but in 2017, it was Camryn Roadley who prevailed as the Women's Junior Champion at Rossmere Country Club.

Roadley finished five shots ahead of the 2016 champion — Bobbi Uhl — to claim first place. Uhl beat out Roadley in 2016 by two strokes.

Roadley, who plays out of Southwood Golf & Country Club, shot 80, 74, and 78 to finish five-over-par 232 total. Uhl, playing out of Shilo Country Club, shot 76, 81 and 80 for a 237 total to finish as the runner-up. Rebecca Kuik out

of Niakwa Country Club finished third, as she shot 22-over-par with scores of 82, 78 and 81.

Uhl opened the tournament with an impressive score of 76 to give her a four-shot advantage over Roadley heading into the final two days. But Roadley was able to bounce back as she had the best scores in round two and in the final round. Roadley's second round 74 — led by her three birdies — was the best of the tournament.

This year's Women's Junior Championship will take place July 10-13 at Breezy Bend Country Club and St. Charles Country Club.

Provincial Junior Women

***Kate Gregoire, Camryn Roadley
& Bobbi Uhl***

RYAN MCMILLAN CLAIMS MEN'S JUNIOR HONOURS

A McMillan has taken the Men's Junior Championship crown once again.

Ryan McMillan dominated at Rossmere Country Club to win the junior title by an astounding 12 strokes. McMillan shot 70, 69, 68, 71 to finish at 2-under-par total of 278. McMillan had the lead after the second round and never looked back, as no other golfer finished under par at the four-day event. Second place Zach Wytinck, who won the junior title in 2016, shot 10-over-par total 290.

McMillan's uncle Rob won the event four years in a row between 1991 and 1995. McMillan will have

the opportunity to repeat as champion as he will be 18 years old at this year's tournament. McMillan, who golfs out of Elmhurst Golf & Country Club, also represented the province at last summer's Canada Games and was a finalist for Golf Manitoba Male Golfer of the Year.

Breezy Bend Country Club and St. Charles Country Club will host this year's Men's Junior Championship from July 9-13.

Provincial Junior Men

*Ryan McMillan, Anthony Leicht
& Wesley Hoydalo*

RHONDA ORR CLAIMS WOMEN'S SENIOR HONOURS

Another year, another dominant performance by Rhonda Orr at the Women's Senior Championship.

Southwood Golf & Country Club's Orr won the 2016 title by an incredible 22 strokes. Although 2017 was slightly closer, Orr still dominated as she successfully defended her crown as Manitoba's best women's senior golfer as she won 11 strokes.

Orr came out of the gate on fire, shooting a 75 in the opening round. Nobody else in the field came close to shooting a score under 80 in any of the three rounds at St. Boniface Golf Club. With an eight-stroke lead after round one, Orr

cooled off a bit, shooting 85 in the final two rounds — still more than good enough to give her a commanding lead on the board at 245 total.

Barbara Maslanko from Rebel Creek Golf Club was able to recover from a tough first round to climb her way to a second-place finish by shooting 93-82-81 for a 256 total. Matty Leung, also from Southwood, shot rounds of 85, 88, 86 to earn third place with a 259 total. Leung was the runner-up to Orr in 2016.

This year's senior championship will take place at Carman Golf & Curling Club from July 23-25.

Provincial Senior Women

***Kim Ross, Matty Leung
& Rhonda Orr***

MIKE WALKER CLAIMS MEN'S SENIOR HONOURS

Mike Walker looked like right at home at the 2017 Men's Senior Championship at St. Boniface Golf Club. The fact that he golfs out of St. Boniface might've had something to do with it.

Walker won the senior title, as he shot 73-73-78 to finish atop the leaderboard with an 8-over-par 224 total. Brett Clague, also out of St. Boniface Golf Club, finished in third place with a 12-over-par 228 total. Garth Collings was the only non-St. Boniface golfer to reach the top three, as the Breezy Bend Country Club member was the runner up at 11-over-par 227 total. Collings made a push on

the final round as he beat Walker by three strokes but it was too little too late.

Walker finished the three-day tournament with eight birdies in total, with five of them coming in the opening round. Walker also won the senior championship in 2016.

This year's senior championship will take place at Carman Golf & Curling Club from July 23-25.

Provincial Senior Men

*Brent Clague, Mike Walker
& Garth Collings*

TODD FANNING CLAIMS MID AMATEUR HONOURS

Todd Fanning is clutch.

With birdies on the final two holes, Fanning, who was 49 at the time, forced a playoff at the 2017 Manitoba Men's Mid-Amateur Championship at Bel Acres Golf & Country Club.

It came down to Fanning, who plays out of Niakwa, and Mike Tibbs of Breezy Bend Country Club to battle for the championship as both shot a 3-over-par 219 total after three rounds of play.

Fanning (77-72-70), a member of the Manitoba Golf Hall of Fame and a former golf pro, only needed one hole to edge

out Tibbs (74-74-71) in the playoff to claim first place.

Fanning battled back from a tough first round where he found himself eight shots back from Jesse Skelton (Breezy Bend), who shot an impressive opening round 69. Fanning was able to bounce back in the second round as his score of 72 was the best out of the field, which put him in striking distance going into the final day.

This year's Men's Mid-Amateur will be played July 3-5 at Falcon Lake Golf Course.

Provincial Mid Amateur Men

***Mike Tibbs, Todd Fanning
& Justin McDonald***

JENNA ROADLEY CLAIMS WOMEN'S MATCH PLAY HONOURS

The Women's Match Play Championship brings out the best in Southwood Golf & Country Club's Jenna Roadley.

For the second year in a row, Roadley, who golfed at Bradley University in Illinois, outlasted the competition to win the women's match play honours.

In 2016, Roadley entered as the No. 1 qualifier, but in 2017, she was No. 2. It

didn't make a difference, as Roadley defeated Hayley Shanks, Mindy Lichtman, and Bri-ann Tokariwski before going head-to-head with No. 5-seed Rebecca Kuik in the final. Roadley beat Kuik 3 & 2 to hoist the championship for the second year in a row.

The 2018 edition of the Women's Match Play Championship will be held at Teulon Golf & Country Club from June 2-3 and at Pine

Ridge Golf Club from June 4-10. The qualifier will be held on May 26 and 27 at Winkler Golf Club.

COLWYN ABGRALL CLAIMS MEN'S MATCH PLAY HONOURS

Niverville's Colwyn Abgrall reached the final for the second year in a row, but on this occasion, he would not be denied.

After losing the 2016 Match Play Championship final to Travis Fredborg, Abgrall made another run at it in 2017. He entered the tournament as the No. 6-seed and defeated Jacob Armstrong, Aaron Ryback, Tyler Nahorny, and Justin McDonald before going head-to-head with Jay Doyle in the final.

Abgrall, who went to Scottsdale Community College, took down the No. 5-seed Doyle 4 & 2 in a 36-round final at the Niakwa Country Club. The victory was even more impressive considering how Doyle plays out of Niakwa. 2016 champion Fredborg was upset by Sam Diamond in the second round.

The 2018 edition of the Men's Match Play Championship will be held at Teulon Golf & Country Club from June 2-3 and at Pine

Ridge Golf Club from June 4-10. The qualifier will be held on May 26 and 27 at Winkler Golf Club.

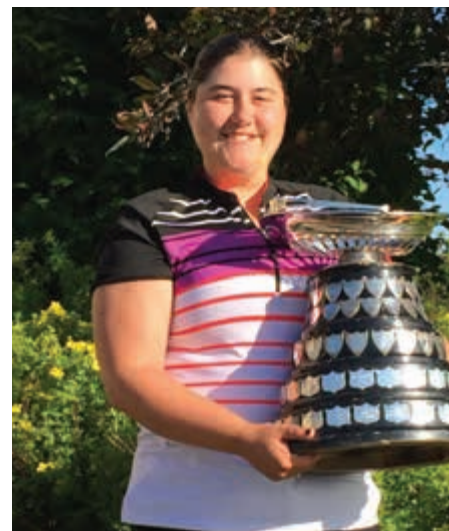

BRI-ANN TOKARIWSKI CLAIMS WOMEN'S CITY AND DISTRICT HONOURS

It was close after the first round, but Bri-Ann Tokariwski pulled away from the pack with a dominant second round performance to win the Women's City and District Championship for the second year in a row.

Tokariwski was one of four competitors to shoot a score under-80 in the first round at Larters at St. Andrews Golf & Country Club. Her round of 77 put her in a tie with Niakwa Country Club's Tammy Gibson

for second. Rebecca Kuik, another Niakwa golfer, had the lead after the opening round by shooting a 76.

But the second round was a different story, as Tokariwski, from Elmhurst Golf & Country Club, was the only golfer to shoot a score in the 70s, as she shot a 78 which put her in first place by three strokes. Kuik (76-82) finished in second and Mindy Lichtman (78-82) from St. Boniface Golf Club and Gibson (77-83)

ended the event in a tie for third place.

This year's Women's City & District Championship will be held on June 23-24 at St. Boniface Golf Club.

GARTH COLLINGS CLAIMS SENIOR MEN'S MATCH PLAY HONOURS

Garth Collings continues to add to his impressive golf resume.

The 2017 Senior Men's Match Play started with 16 competitors, but in the end, it was Collings from Breezy Bend Country Club who stood atop the mountain.

In the semi-final, Collings prevailed over Pine Ridge's Brad Moore 5 & 3. Collings had to get through Alan Ediger from St. Boniface

Golf Club in the final and that's exactly what he did, defeating him 5 & 4. The event was hosted at Teulon Golf & Country Club and the Niakwa Country Club.

Collings is no stranger to winning provincial titles, as the 2008 inductee of the Manitoba Golf Hall of Fame won the Manitoba Amateur twice (1987 and 1994) and the Manitoba Mid-Amateur championship five times (2000, 2002, 2003, 2005 and 2006). He was also

nominated as a finalist for the Manitoba Amateur Golfer of the Year honours 13 times and was the winner of that award four times (1999, 2003, 2005 and 2006).

TAYLORMADE HELPING GOLF GROW IN MANITOBA

TaylorMade and Golf Manitoba will continue to work together this upcoming season to help the Manitoba golf scene. TaylorMade, one of the world's premier golf equipment manufacturers, is going to provide 200 dozen golf balls, 36 hats, and a dozen bags to be used at Golf Manitoba tournaments and for the provincial teams.

"It's definitely exciting from Golf Manitoba's perspective, but from ours as well to continue the partnership. We're committed to helping with the development of the next wave of golfers and golfers of all ages and skill sets,"

said Mike Langin, who is TaylorMade's territory sales manager for Saskatchewan and Manitoba-Lakehead.

Langin says the partnership not only helps TaylorMade and Golf Manitoba, but also the growth of the sport overall.

"We need to create new ways and more incentive to get more people to play the game. By being able to provide sponsorship to Golf Manitoba and support them in that regard, it's huge. It's definitely a mutually beneficial program for sure," he said.

About TaylorMade Golf Company: Headquartered in Carlsbad, California, with Canadian Head office in Woodbridge, Ontario, TaylorMade Golf Company sells golf equipment, footwear, apparel and accessories under the TaylorMade, adidas Golf, Adams and Ashworth brands. An industry leader in product innovation and technology, TaylorMade drivers are the most-played on the PGA Tour, 16 years and counting. For more details visit TaylorMadeGolf.ca, follow @TaylorMadeCA on Twitter and @TaylorMade_CA on Instagram.

FALCON LAKE HOSTING MEN'S MID-AMATEUR & WOMEN'S AMATEUR CHAMPIONSHIP

One of Manitoba's premier golf courses will be the home of the Men's Mid-Amateur & Women's Amateur Championships this year.

Some of the province's best amateur golfers will do battle at Falcon Lake Golf Course from July 3-5. The course is an hour and a half drive out of Winnipeg, but Lisa Andersen, the director of competitions for Golf Manitoba, doesn't expect golfers having any issue with making the trip out of the city.

"I've been with Golf Manitoba for over 20 years and we've never had a tournament at Falcon Lake in that time," said Andersen. "They are very busy because it is such a beautiful course. It's extremely popular, so the fact that they're willing to have us out there is great. They want to give back to the game of golf. It's a win-win."

Falcon Lake Golf Course is operated by Lakeland Golf Management. Harry Brotchie, the owner and president of

Lakeland Golf Management, said the company is happy to host the events. He believes many people are already familiar with the course, but not in a tournament setting. He believes it will be beneficial to all the parties involved.

"We're happy to provide that opportunity. In this case, it's an opportunity to let competitive players play in a competitive situation play a course like Falcon," Brotchie said. "It's certainly a premier course given its length and it was in great condition last year so I'm sure the players are looking forward to it. There are always travel issues when it is out of town, but in this case, I'm sure the players will be fairly happy to make the commute."

Lakeland Golf Management manages nine courses throughout Manitoba and Saskatchewan. Brotchie said the course at Falcon is a challenging one, but he expects golfers to relish the experience.

"It's one of the longer courses in the province. It's a well-designed golf course, every hole is fairly unique and by itself," he said. "The setting is really good. Condition, length and overall design is something I think people really enjoy."

Al Scott, the director of golf course operations for Lakeland, said it's important for the company to answer the call from Golf Manitoba when it's their turn. It's what's best for the game of golf in the province.

"We're all in business because we've played golf when we're younger and we want the sport to be healthy," said Scott. "A part of helping the sport be healthy is being accessible and available to host these types of events."

For more information on the Men's Mid-Amateur, Women's Amateur, and all other Golf Manitoba events, visit www.golfmb.ca/2018-championship-schedule.

GOLF CANADA NOW OFFERING GOLD

Golf Canada is offering a golden opportunity to Canadian golfers.

For \$49.95, golfers can purchase the Golf Canada Gold membership. The membership focuses on incident protection, as it provides up to \$2,500 reimbursement for lost, stolen or damaged equipment. It also covers golf cart accidents up to \$2,500 and window damage up to \$1,000. It has benefits outside of incident protection, too. Also included is easy to access tools to post your score and track your official handicap.

"We're trying to create value for our golfers," said Ryan Logan, Golf Canada's regional director of member services in Ontario. "It was determined we wanted to roll this out across the country to everyone. We came up with this package that we think is a pretty good one."

Golf Canada wanted the Gold membership to be affordable and appealing to all levels of golfers in the country.

"I think what we're really trying to accomplish is to look at the value proposition and make sure we're speaking to all golfers across the country," said Logan. "There's always unfortunate events and incidents that happen throughout the course of the season, but knowing you can now be covered with the Gold membership, I think it's a step in the right direction for us. I don't think we're going to stop here. We're constantly going to evaluate what we're offering our members."

Not only will golfers gain valuable protection through the membership, but they will also be helping the sport of golf in Canada.

"All those dollars get reinvested into sport development to help attract the future generation of golfers," said Logan. "All the revenue we raise gets reinvested into the grassroots program."

If a golfer is a member at a club that is a Golf Canada member, their club has the choice in 2018 to convert to the new membership model. If they do, their members can get the benefits of the Gold membership. If they choose not to convert to the new model, they still are members of Golf Manitoba and Golf Canada (it's a dual membership), but they won't get the added benefits.

For more information on Golf Canada Gold, visit www.golfcanada.ca/join/gold-2018/

GOLF BOOSTERS

Developing Champions on and off the Golf Course

Since its inception, many outstanding young golfers have participated for the University of Manitoba Golf Team. These players have represented the university with professionalism and integrity while experiencing lifetime memories.

Our past alumni include graduates making contributions to our community in Manitoba as Chartered Accountants, Business Leaders, Engineers, Teachers, Pharmacists, Actuaries, Nurses, Doctors and Dentists.

We want to keep our best student athletes here in Manitoba where ultimately they will live, work and continue to golf in our province.

***BISONS GOLF** is good for student athletes, for golf, the university and for our community.*

NEW RULES COMING IN 2019

The world of golf will be playing the sport differently in the near future.

The R&A, who governs 142 affiliated unions across the world, and the United States Golf Association, have released a set of new rules that will come in effect on January 1, 2019. Golf Canada worked alongside the R&A and USGA throughout the process.

The key changes to the rules are listed below:

How to Drop a Ball

- You will drop a ball from knee height into the relief area.

Time for Ball Search

- Three minutes will be the maximum allotted time to search for a ball, rather than the current five minutes.

Repairing Spike Marks

- You will be allowed to repair spike marks and any other damage on the putting green caused by a person, an animal or maintenance practices.

Leaving Flagstick in the Hole

- If you make a stroke from on the green and your ball hits the flagstick in the hole, there will be no penalty.

Relaxed Rules in Penalty Area

- You will be allowed to ground your club and move loose impediments in a penalty area (an expanded concept of water hazards that does not include bunkers).

Golf Canada is happy with the rules changes and believes it will make things easier for rules officials.

However, certified rules officials will have to take an exam to keep their certification before the new rules are in place. Golf Canada has four levels of rules certification.

"Whenever you get certified on a rules exam, it lasts four years. But since this is such a huge impact on the game, everyone's certification expires comes December 31, 2018 so everyone will have to get certified again," said Adam Helmer, the director of rules, competitions, and amateur status for Golf Canada. "Everybody has the opportunity to write the exam again, you don't drop back to level one or anything."

Rules officials will be given two opportunities to learn the new rules to keep their certification, as their will be nation-wide seminars held in the fall of 2018 or spring of 2019.

"We'll work with our provincial partners like Golf Manitoba. We'll help them prepare and give them seminar material and all the resources to conduct provincial seminars," Helmer said.

Helmer said it might be a bit of a learning curve for the golf world, but in the long run, the rule changes will help the game.

"I think a couple years ago, people were apprehensive about how many changes there were, but now that we see the rules, there are a lot more consistencies," said Helmer, who has worked for Golf Canada for the past six years. "I think for a lot of reasons, it's helping our past officials and making it easier to understand and apply in the long run."

For more information about the new rules, visit www.golfcanada.ca/article/golfs-modernised-rules-released.

ANDREW STEEP – PGA OF CANADA (MANITOBA ZONE) 2017 PRO OF THE YEAR

Andrew Steep comes by his passion for golf naturally. As the son of local professional Jim Steep, a man who has done so much for the game in Winnipeg and Manitoba, Andrew continues that legacy to help grow the game of golf. It was because of his passion and dedication that Andrew was named the 2017 PGA of Canada (Manitoba Zone) Pro of the Year.

Along with this accolade, Andrew was also the recipient of the 2017 PGA of Canada Murray Tucker Professional of the Year, an outstanding accomplishment to go with his local award. The Murray Tucker Professional of the Year award is one of the highest honors awarded by the PGA of Canada. The 10-year professional, who is in his second season at Southwood Golf and Country

Club, started his career at Glendale Golf and Country Club in Winnipeg. His first year as a head professional was 2013 and in that inaugural year, he was awarded the PGA of Canada (Manitoba Zone) Pro of the Year.

He is on the Board of Directors of the PGA of Manitoba, currently sitting on the board and committee of the PGA of Manitoba Future Pros program, an initiative started in the province to further the growth of junior golf, something very important to Andrew.

Andrew's work on the Future Pros committee is certainly indicative of his passion and willingness to give back. The Future Pros Program started through the creation of the Golf Professionals of Manitoba Foundation Inc., a non-

profit organization established by a group of PGA of Canada Manitoba Zone golf professionals. The foundation gives financially disadvantaged kids in the province the opportunity to become involved in all the aspects of the great game of golf. It provides equipment, lessons, and junior memberships to a golf course close to where the kids live. The foundation is committed to helping improve the lives of kids in the community through the game of golf.

Competitively, Andrew finished 8th in the PGA of Canada (Manitoba Zone) Order of Merit in 2017. Making the game more accessible and fun is a major reason Andrew enjoys his career as a golf professional. Working to grow the game is a challenge he gladly accepts.

KEVIN GIESBRECHT, 2017 PGA OF CANADA (MANITOBA ZONE) PLAYER OF THE YEAR.

To say Kevin Giesbrecht was consistent in 2017 would be an understatement. This consistency turned into gold as Giesbrecht won the 2017 PGA of Canada (Manitoba Zone) Player of the Year honour. In five provincial tournaments, the St. Charles pro finished no lower than fourth place in any event. He finished in third place at the Cobra Puma Spring Championship, first in the Ping June Classic, fourth in the Callaway PGA Championship, third in the Taylor Made Adidas Fall Championship, and third in the Titleist Footjoy Fall Final. Add it all up and he was the runaway points leader in 2017

leading to his crowning as Player of the Year.

With his top five finishes came big points on the 2017 Order of Merit standings, where he amassed 2150 points to beat out second place finisher Dean North of Carman who had 1852 points. The seven year pro who hails from Carman cut his teeth as an assistant pro at St. Charles Golf and Country Club starting in 2011. Now after a stint teaching and working on his craft, Giesbrecht plans to head out on the competitive tour in 2018. After wintering in the Phoenix area, he will try his hand at

the MacKenzie Tour (PGA Tour Canada) and the Dakotas Tour in the US Midwest. His success as an amateur — three straight Manitoba Junior titles from 2016-18 — and his decorated college career at Paris Junior College in Paris, Texas have laid the groundwork for his bright future in the game as a competitive tour player. He lists Carman pro, Bruce North, and his father, Wayne, as his biggest influences in the game and the two people who have inspired and helped him over the years.

PLAYERS CUP NEWS AND NOTES

GIVING BACK TO THE COMMUNITY

The Players Cup is proud to be a charitable partner with Junior Golf Mentorship here in Manitoba.

Junior Golf Mentorship (JGM) is a Manitoba sole proprietorship which provides golf lessons to students and adults for a fee for services. Prior to the start of the regular golf season JGM did establish a company incorporated in Manitoba as a Not-for-Profit corporation, but is now a registered charity. It is our intention to expand our existing facilities to provide no cost services to the disadvantaged youth of our community. Our objective is to provide the golf learning facilities and the experience that will enable children from every walk of life to participate in a game that teaches values for life and which can be played for a lifetime.

Our teaching facilities are currently located at St. Vital Golf Centre as well as several local golf course. However, our long term goal is to construct 1200 square foot building at our home facility that includes a driv-

ing range and a putting green. The projected cost is \$155,000.00 with construction to begin in the fall to be ready for the 2019/20 golf season.

Junior Golf Mentorship will concentrate its efforts to provide services towards the disadvantage youth of Winnipeg, in order to, impact the lives of young people by providing learning facilities and educational programs that promote character development through the game of golf.

There is a sport that not only continues to teach positive life lessons, but also depends on an adherence to them for its very existence. That sport, of course is golf.

It is a game in which there are no officials to call a breach of rules. It is a game where only the individual participants know if the score he or she handed in is the score that was actually shot. It is a game with a rich history and timeless traditions that invite respect for the old and wonderment of the new. Most of all, golf is fun. The game is never

solved, perfection is never achieved; there is always the opportunity for improvement and success. It is also a game where the raw beginner can play a competitive match with the most seasoned expert. It is a game where youngsters can delight in playing with each other and it is a game suited to the young and old playing together – if they have a place to learn and play the game at all.

Our objective is to provide the golf learning facilities and the experience that will enable children from every walk of life to partake of a game that teaches values for life and which can be played for a lifetime.

The Players Cup look forward to a long and prosperous relationship with Junior Golf Mentorship in the province to give back to our community

Our Mission Statement: To impact the lives of young people by providing learning facilities and educational programs that promote character development and life enhancing values through the game of golf.

ENVIRONMENTAL BENEFITS OF TURFGRASS

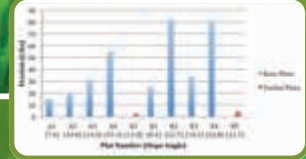

TURFGRASS REDUCES RUNOFF

Turfgrasses slow down the speed and reduce the force of flowing water, allowing more of it to be absorbed in the soil to the benefit of groundwater reserves. Also, any sediment that has also been picked up by the water is invariably trapped within the stand of turfgrass. This prevents many of the pollutants and other chemicals that rainwater gathers from ending up back in our water system; instead they go in the soil where they can be broken down safely.

TURFGRASS PREVENTS EROSION

The fibrous root system that turfgrass forms binds the soil together preventing it from being carried off by rains and wind. The blades of grass or canopy, also slow down rainwater dramatically reducing the amount of soil being carried off by the force of the water. With soil erosion becoming an increasing problem, turfgrasses can play a vital role in reducing losses of high quality topsoils.

TURFGRASS REPLENISHES AIR

Plants take up carbon dioxide and release oxygen into the atmosphere (air) and grass is no exception. The amount of oxygen that a 15 x 15m lawn produces can support 4 people for the entire year. The average 18 hole golf course has been studied and is known to produce enough oxygen for 10,000 people! Well managed turfgrass also helps reduce pollen production by preventing the growth of weedy species which produce significant amounts of airborne pollen. Dust and other airborne allergens are also prone to getting trapped within stands of turfgrass.

TURFGRASS PROMOTES SAFETY

Healthy turfgrass serves as a barrier to fire damage and is capable of preventing large fires from spreading out of control. Well maintained lawns also deter insect pests from invading and creating their habitat and rodent pests are typically deterred from crossing large areas of turf. Turfgrass is also a soft surface for recreational purposes. It is important for a variety of sports as statistics indicate injuries are reduced when compared with artificial surfaces. Natural turf also offers a safe, resilient surface for children, many of which are prone to injuring themselves while playing.

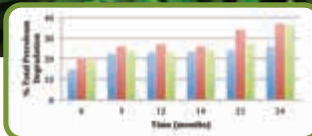

TURFGRASS REGULATES TEMPERATURE

The process of transpiration has a cooling effect that lowers the temperature of the air around the turfgrass plant. With the high density of the plants transpiring within a stand of turfgrass, the need for air conditioning can be significantly reduced, conserving energy for other uses. Studies have shown that the amount of heat given off by bare land or poorly maintained turf is substantially more than that of healthy, well maintained stands of turfgrass.

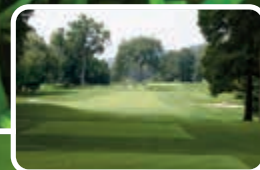

TURFGRASS SUPPORTS BIOREMEDIATION

Pollutants, such as hydrocarbons and heavy metals, often end up in our soil and are detrimental to the health of people, plants and animals. These substances can be broken down by bacteria, fungi and other microorganisms within the soil. Healthy stands of turfgrass possess an extensively fibrous root system, providing both a habitat and energy source for these populations and allowing them to be much more productive than they would in the absence of turfgrass.

TURFGRASS SEQUESTERS CARBON

Stands of healthy turfgrass play an important role in carbon sequestration, or removal of carbon from the atmosphere. During photosynthesis, carbon dioxide is converted into plant biomass allowing for long-term storage of carbon below ground within roots. Where grassland systems differ from other ecosystems is that the ratio below-ground biomass to above-ground biomass is relatively large. Since turfgrass is an undisturbed and highly productive system, it has the ability to sequester a large amount of carbon with studies showing that a hectare of golf course turf is capable of sequestering 1 tonne of carbon into the soil per year for 30 years. As this sequestration occurs primarily in the soil it is a more stable form of carbon storage than with above-ground plant biomass.

PLAYERS CUP MOVING TO A NEW COURSE AND TIME

There are big changes being made to the Players Cup in 2018. The annual tournament, which is Manitoba's only Mackenzie Tour — PGA TOUR Canada event, will be held at Southwood Golf & Country Club on August 16-19. The Players Cup and Southwood have agreed on a three-year contract.

It's the first time Southwood will host the event since it's been known as the Players Cup. The date is also different from previous years, as the tournament has been held on the July long weekend in the past.

"Southwood is a really good fit. They had a lot of checkboxes marked across the board," said Players Cup executive director, Adam Boge. "They have a

championship golf course that they designed to host tournaments like this. They got great parking availability, a nice clubhouse, lots of space for spectators and another attraction was that the tournament has never been on the south side of the city before."

Boge said it's a great event for golf fans, as you get to watch professional golfers from all around the world come to Winnipeg to compete at the tournament.

"This is not the Manitoba Open of 15-20 years ago. This is the future of the PGA Tour. If you want to make it to the PGA Tour, you have to play on the Mackenzie Tour, that's the bottom line," said Boge.

The tournament also gives back to the community, as some of the proceeds go towards charities such as The Golf Mentorship Foundation.

"The foundation helps the inner-city youth and those kids that can't afford golf access to a driving range, free instruction, and free equipment basically all year round. It's something that has never been done before in Canada, maybe even in North America, where an event has given back like that to junior golf," he said.

For more information on the Players Cup, visit www.playerscup.golf
